NEXUS X SOLUTIONS LLC

# WEB & MULTIMEDIA SERVICE PACKAGES

**Design • Consulting • Digital Integration**

Outcome-based digital environments for businesses, ministries, creators, consultants, and organizations ready to move into their New Greater.

| PROJECT INVESTMENT | SIGNATURE EXPERIENCE |
| --- | --- |
| Starting at $2,500 | Up to $7,500+ |

Built around vision, audience, multimedia demand, operations, integrations, and launch readiness - not a page count.

# THREE LEVELS OF DIGITAL DELIVERY

Final pricing follows a paid strategy consultation and written scope of work.

## FOUNDATION DIGITAL LAUNCH

**$2,500**

A focused professional launch for businesses and organizations that need a credible, conversion-ready presence without template-level limitations.

- Brand-aligned digital direction and website strategy
- Responsive custom presentation for desktop, tablet, and mobile
- Service, story, credibility, contact, and policy experience
- Domain, hosting, SSL, analytics, and launch configuration
- Lead capture or contact workflow
- Two structured review cycles
- 30-day launch stabilization support

## PROFESSIONAL MARKET PRESENCE

**$4,500**

A growth-oriented build for organizations that need stronger positioning, multimedia communication, and a clear path from visitor interest to inquiry.

- Everything in Foundation Digital Launch
- Expanded custom interface and audience journey
- Portfolio, project, case-study, or media showcase
- Video, audio, gallery, or presentation integration
- Conversion-focused inquiry workflow
- Foundational search visibility and analytics setup
- Integration of approved scheduling or payment tools
- Three structured review cycles
- 45-day post-launch support

## SIGNATURE MULTIMEDIA ECOSYSTEM

# $7,500

A flagship digital environment for brands that need layered multimedia, interactive presentation, advanced integrations, and a distinctive experience engineered around their mission.

- Everything in Professional Market Presence
- Custom visual system and multimedia architecture
- Interactive motion, animation, and advanced interface elements
- Strategic audio/video and branded media integration
- Payment, scheduling, forms, and approved third-party workflows
- Advanced portfolio, program, service, or campaign presentation
- Performance, accessibility, and launch quality assurance
- Priority development coordination
- 60-day post-launch implementation support

# PAID DISCOVERY & STRATEGY

A paid consultation protects the planning process and allows Nexus X to evaluate goals, multimedia requirements, technology, timeline, hosting, and launch strategy before issuing a final proposal.

### VIRTUAL STRATEGY CONSULTATION

**$150**

Up to 60 minutes by Google Meet or Zoom. Includes project discovery, priority recommendations, hosting and platform guidance, and next-step direction.

### DFW IN-PERSON CONSULTATION

**$250**

Up to 90 minutes at an agreed DFW location. Includes project discovery, environmental or operational review where applicable, and strategic recommendations.

## PAYMENT & BOOKING

Consultations are paid in advance through a live Stripe Payment Link provided by Nexus X Solutions LLC. The payment link confirms the consultation payment; meeting date, platform, location, and availability are confirmed separately in writing.

Consultation payments are separate from the project investment unless a written proposal states otherwise.

## CUSTOM SCOPE

E-commerce, memberships, client portals, extensive copywriting, custom software, advanced databases, complex automation, premium media, and specialized integrations are quoted separately after consultation.

# ENGAGEMENT STRUCTURE

| AREA | TERMS |
|---|---|
| Foundation Digital Launch | 50% to begin; 50% before launch |
| Professional Market Presence | 50% to begin; 25% approved milestone; 25% before launch |
| Signature Multimedia Ecosystem | 50% to begin; 25% approved milestone; 25% before launch |
| Third-party costs | Domain, hosting, licenses, premium media, software, taxes, and processor fees are separate unless included in writing |
| Scope control | Deliverables, revision limits, responsibilities, timeline, exclusions, and ownership are defined before work begins |
